RESCUE

“Rescue Partners!”

“We Must Work Together To Rescue The World!”

“The Lord...does not want anyone to be destroyed, but wants everyone to repent.” - 2 Peter 3:9

SAY:

We live in a BIG world! There are a LOT of people - and many of them really need to be rescued from the trap of sin.

The Great Commission in the Bible tells us to go into all the world to share the Good News of Jesus with everyone. For kids, hearing the HUGE responsibility of the Great Commission can be a little scary!

However, we don't have to do it alone! We can't reach the world and rescue everyone from the trap of sin by ourselves. That's where the power of working with missionaries comes in. Missionaries are people who leave their homes and go all around the world to tell people about Jesus so they can be rescued from the trap of sin.

Even though we live in a BIG world, when we work with missionaries, our rescue partners, the whole world can be rescued from the trap of sin!

DISCUSS:

- Is it possible to be a rescue partner as a kid?
- What can we do to work with missionaries around the world as they help rescue people from the trap of sin?

PRAY:

Spend some time praying for the missionaries that your church supports. Pray that God will protect them, bless them, and help them to reach and minister to so many people who need to be rescued from the trap of sin.
